Attention: Application Examiner

RE: Request for Confidentiality
Applicant: OrthoAccel Technologies
FCC: 2AKKO-3

To Whom It May Concern:

Request is hereby submitted by OrthoAccel Technologies to withhold permanently from public review certain portions of this application for equipment certification. This request for confidentiality is made pursuant to the Canadian *Access to Information Act*. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list

The following are to be placed on short term confidentiality:

- Internal photos - 180 days
- External photos - 180 days
- User Manual - 180 days
- Test Setup Photos - 180 days

Rationale for request for confidentiality:

OrthoAccel Technologies has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tulika Balagopal'.
